Elio, Ross and I had a great time in Corrientes, Argentina fighting the dreaded Golden Dorado. No monsters, but plenty of fair sized fish with lots of fight in them. Lost several flies, leaders, and a few lines due to overactive Piranha. Dorado jumping kept us on our toes, especially after on jumped into the boat and hit me in the chest. He just couldn't wait for the fly to come to him !!!! More to come at the upcoming meeting with photos and video.

I don't possess the writing skills that would adequately express just how much I looked-up to Billy Pate... He was my flyfishing hero! His knowledge of our sport didn't come from a S5 magazine, and when he talked about flyfishing his enthusiam was infectious. He will be missed...
